

6th European Transport
Research Conference

MOVING FORWARD:

Innovative Solutions
for Tomorrow's Mobility

www.traconference.eu

National Stadium
WARSAW
Poland
18-21 April 2016

WHAT IS TRA? IT IS TRANSPORT RESEARCH ARENA

The TRA is the most important European conference on transport research, focusing on all of the research fields of the transport system. The conference's topics address the main challenges in transport and mobility of people and goods, with respect to energy, environment, safety and security and the economy issues. Results of the latest research on: road, rail, waterborne, cross-modal transport and airports will be presented and discussed on the Arena.

WHO ARE WE? MEMBER ORGANISATIONS OF TRA

the European Commission, the Conference of European Road Directors and the four European Technology Platforms on surface transport: the European Road Transport Research Advisory Council (ERTRAC), the European Rail Research Advisory Council (ERRAC), WATERBORNE TP, the Alliance for Logistics Innovation through Collaboration (ALICE). Every 2 years TRA is hosted by a different country. TRA2016 is organised by the Polish Ministry of Infrastructure and Development and the Road and Bridge Research Institute.

WHAT ARE THE TOPICS OF THE CONFERENCE

1. Environment – Decarbonisation, Sustainability and Energy Efficiency
2. Vehicles & Vessels Technologies, Design and Production
3. Urban and Long-Distance People Mobility - Systems and Services
4. Urban and Long-Distance Freight Transport and Logistics
5. Safe, Secure and Resilient Transport Systems
6. Transport Infrastructure
7. Human Factors, Socio-Economics and Foresights
8. Automation and Connectivity
9. Enabling Environment for Innovation Implementation

WHO IS INVITED?

Researchers and academics, students, engineers, transport infrastructure managers and owners, construction and engineering companies, traffic operation managers, transport operators, vehicle manufacturers and suppliers, ship builders, local authorities, governmental bodies and non-governmental organisations and other transport stakeholders are invited to participation.

Authors of papers are invited to submit abstracts by 30 March 2015.

Detailed information is available on: www.traconference.eu

WHAT DO WE OFFER?

Thematic sessions, discussion panels, workshops, poster presentation, networking, market outreach event brokerage, business and commercial opportunities, exhibition space and sponsorship packages.
