

Europass Curriculum Vitae

Personal information

Surname(s) / First name(s) Heller-Schuh Barbara
Address(es) AIT Austrian Institute of Technology GmbH, Center for Innovation Systems & Policy
Giefinggasse 4, 1210 Vienna, Austria
Telephone(s) +43 (0)50550-4523 Mobile +43 664 8157947
Fax(es) +43 (0)50550-4599
E-mail barbara.heller-schuh@ait.ac.at
Nationality Austrian
Date of birth March, 11th 1963
Gender Female

Work experience

Precise contractual link with AIT unlimited employment
Dates Since 11/2002
Occupation or position held Scientist
Main activities and responsibilities scientific research, consultancy and project management;
main topics: innovation research, national and European RTI policy, data analysis, analysis of
innovation networks, governance and funding systems for universities
Name and address of employer AIT Austrian Institute of Technology GmbH, Center for Innovation Systems & Policy
Donau-City-Strasse 1, 1220 Vienna, Austria
Type of business or sector Research and Development
Dates 2001
Occupation or position held Contract Researcher
Main activities and responsibilities conception and realisation of a digital hypertext archive based on publications, conference papers,
correspondence and notes of Heinz von Foerster
Name and address of employer Heinz von Foerster-Society
Universität Wien, Institut für Zeitgeschichte,
Altes AKH, Spitalgasse 2-4, 1090 Vienna, Austria
Type of business or sector Research and Development
Dates 2000-2001
Occupation or position held Contract Researcher
Main activities and responsibilities consulting and support of historical research projects concerning issues of scientific data processing;
scientific conception and realization of data bases based on non-structured archive material
Name and address of employer Historikerkommission der Republik Österreich
Nottendorfer Gasse 2, 1030 Vienna, Austria
Type of business or sector Research and Development
Dates 1998-2000
Occupation or position held Researcher
Main activities and responsibilities scientific conception and realization of a database supported hypertext system concerning material
culture in the medieval literature

Name and address of employer	Austrian Academy of Sciences, Institute for Research into the Daily Life and Material Culture of the Middle Ages and the Early Modern Period, Körnermarkt 13, 3500 Krems, Austria
Type of business or sector	Research and Development
Dates	1991-1993
Occupation or position held	Researcher
Main activities and responsibilities	development of DBMS-Modules for the computer supported analysis of material culture in medieval images
Name and address of employer	Austrian Academy of Sciences, Institute for Research into the Daily Life and Material Culture of the Middle Ages and the Early Modern Period, Körnermarkt 13, 3500 Krems, Austria
Type of business or sector	Research and Development
Dates	2004-2005
Occupation or position held	Lecturer
Name and address of employer	Department for Knowledge and Communication Management, Danube University Krems, Dr.-Karl-Dorrek-Straße 30, 3500 Krems, Austria
Type of business or sector	University
Dates	1997-2002
Occupation or position held	Lecturer
Name and address of employer	Department of Social and Economic History, University of Vienna, Dr.-Karl-Lueger-Ring 1, 1010 Vienna, Austria
Type of business or sector	University

Education and training

Dates	2009
Title of qualification awarded	Master of Science (MSc)
Principal subjects/occupational skills covered	evolution of relational capital of research organizations; network analysis
Name and type of organisation providing education and training	Danube University, Krems/Danube (Austria)
Dates	2001-2002
Title of qualification awarded	Master of Advanced Studies (MAS)
Principal subjects/occupational skills covered	Knowledge Management
Name and type of organisation providing education and training	Danube University, Krems/Danube (Austria)
Dates	1981-1988
Title of qualification awarded	Mag. phil.
Principal subjects/occupational skills covered	History, German Language and Literature studies
Name and type of organisation providing education and training	Karl-Franzens University, Graz (Austria)
Scholarship	1988-1991: Research Scholarship in Historical Information Sciences and Computer Linguistics; German Academic Exchange Service (DAAD), Max-Planck-Institute for History, Göttingen (Germany)

Personal skills and competences

Mother tongue(s) German

Other language(s)

English, Spanish

Self-assessment

European level (*)

English

Spanish

Understanding				Speaking				Writing	
Listening		Reading		Spoken interaction		Spoken production			
C1	Proficient user	C1	Proficient user	C1	Proficient user	C1	Proficient user	C1	Proficient user
B1	Independent user	B1	Independent user	B1	Independent user	B1	Independent user	B1	Independent user

(*) *Common European Framework of Reference for Languages*

Social skills and competences

Working experience in national and European projects; experience in co-ordinating teams

Organisational skills and competences

Acquisition of national and European research and consultancy projects;
Co-ordination of national research and consultancy projects

Computer skills and competences

Standard Office and Web Software,
Statistical Packages (SPSS),
Software for the analysis and visualisation of social networks (PAJEK, UCINET, NETDRAW, Gephi)

Additional Information

Selected Projects

RISIS 2 - European Research Infrastructure for Science, Technology and Innovation Policy Studies, 01/19-12/22, European Commission

Künstliche Intelligenz als thematische Herausforderungen für österreichische Universitäten, 12/18-05/19, Austrian Federal Ministry of Education, Science and Research

Evaluation FWF Special Research Programmes (SFB), 12/18-12/19, FWF Austrian Science Fund

MicrobiomeSupport – Towards coordinated microbiome R&I activities in the food system to support (EU and) international bioeconomy goals, 11/18-10/22, European Commission

Leistungsvereinbarungen der Technischen Universitäten Österreichs. Mapping der Leistungen der Technischen Universitäten im Kontext der Systemziele des Gesamtösterreichischen Universitätsentwicklungsplans (GUEP), 12/17-05/18, Austrian Federal Ministry of Education, Science and Research

Forschung an Fachhochschulen. Analyse forschungsrelevanter Fachhochschuldaten, 12/17-04/18, Austrian Federal Ministry of Education, Science and Research

Quality Assurance Systems in the Area of Higher Education in the Member States and on Cooperation Activities at European Level, 09/17-04/18, European Commission

KNOWMAK – Knowledge in the making in the European society, 01/17-12/19, European Commission

Analyse der Daten zur Forschungsinfrastrukturhebung an Universitäten IV, 08/16-11/16, Austrian Federal Ministry for Science, Research and Economy

Analyse und Visualisierung des ScienceCenter-Netzwerks III, 10/15-01/16, ScienceCenter-Netzwerk

An analysis of the role and engagement of universities with regard to participation in the Framework Programmes, 03/15-10/15, European Commission

Urban Research in the European Framework Programmes, 10/14-03/15, JPI Urban Europe

PREF – Analysis of national public research funding, 01/15-12/16, European Commission

Analyse der Daten zur Forschungsinfrastrukturhebung an Universitäten III, 07/14-12/14, Austrian Federal Ministry for Science, Research and Economy

Forschungsinfrastrukturfinanzierung: FTI-politische Steuerung und Förderung im nationalen und internationalen Kontext, 02/14-10/14, Austrian Federal Ministry for Science, Research and Economy

RISIS – Research infrastructures for the assessment of science, technology and innovation policy, 01/14-12/17, European Commission

Leistungsfähigkeit und Entwicklungspfade von Forschung und Entwicklung im österreichischen Transportsektor im europäischen Kontext (Horizon 2020), 12/13-03/15, Austrian Federal Ministry of Transport, Innovation and Technology

Finanzierung der Großforschungsinfrastruktur: Konzeption eines Modells im Rahmen der neuen Universitätsfinanzierung, 08/13-10/13, Austrian Federal Ministry for Science and Research

Maßnahmen zur Qualitätsstandardisierung der Lehre an Universitäten, 02/13-10/13, Austrian Federal Ministry for Science and Research

Forschungspolitische Bewertung einer kapazitätsorientierten, studierendenbezogenen
 Universitätsfinanzierung, 02/13-09/13, Austrian Federal Ministry for Science and Research

Analyse der Daten zur Forschungsinfrastrukturhebung an Universitäten II [Analysis of data on
 research infrastructures at universities II], 06/12-10/12, Austrian Federal Ministry for Science and
 Research

Forschungsinfrastruktur, Forschungspersonal und Forschungsoutput von Universitäten [Research
 infrastructure, research staff and research output of universities], 04/12-06/12, Austrian Federal
 Ministry for Science and Research

Analyse der Daten zur Forschungsinfrastrukturhebung an Universitäten [Analysis of data on
 research infrastructures at universities], 11/11-02/12, Austrian Federal Ministry for Science and
 Research

Vergleichende Untersuchung der Publikations- und F&E-Netzwerke österreichischer
 Universitätsinstitute [Comparative analysis of publication networks and R&D networks of Austrian
 university institutes], 12/10-06/11, Austrian Federal Ministry for Science and Research

Analyse der F&E-Netzwerke österreichischer Universitätsinstitute im 7. Rahmenprogramm [Analysis of
 R&D networks of Austrian university institutes in the 7th European Framework Programme], 12/10-
 04/11, Austrian Federal Ministry for Science and Research

Analyse der F&E-Netzwerke österreichischer Universitäten im 5., 6. und 7. Rahmenprogramm
 Analysis of R&D networks of Austrian universities in the 5th, 6th and 7th European Framework
 Programme], 12/10-03/11, Austrian Federal Ministry for Science and Research

The spatial and temporal evolution of R&D Networks, 08/09-01/12, Austrian Science Fund (FWF)

Beteiligung, Positionierung und Vernetzung österreichischer Akteure im 7. Rahmenprogramm
 [Participation, Positioning and Embeddedness of Austrian Actors in FP 7], 07/10-11/10, Austrian
 Research Promotion Agency (FFG)

NEMO – Network Models, Governance and R&D Collaboration Networks, 09/06-11/09, European
 Commission

Network Analysis Study on participations in Framework Programmes, 09/08-03/09, European
 Commission

Berechnung und Visualisierung des Science Center Netzwerks I und II [Construction and Visualization
 of the Science Center Network I and II], 2006 and 12/08-04/09, Science Center Netzwerk

CEERailS - Integration of Central and Eastern European Rail Technology Strategies, 11/07-01/09,
 Austrian Research Promotion Agency (FFG), Federal Ministry of Transport, Innovation and
 Technology

Research Programme „Innovation oriented Sustainable Regional Development“, Subproject „Science
 in Innovation Networks“, 2004-2007, Strategic alliance between the City of Vienna and the
 Austrian Research Centers

RailNet - Analysis and Conception of Collaborative Networks in the railway system, 2005/06 Austrian
 Science Fund (FWF), Federal Ministry of Transport, Innovation and Technology

Emerging Technologies – Analysis of Research Fields in the European Framework Programmes,
 2006 (international automotive company)
