

Curriculum Vitae

Dipl.-Ing. Dr. Markus Kommenda
Veilchenweg 18
A-2380 Perchtoldsdorf

T +43 50550-4180 | M +43 664 2351834 | markus.kommenda@ait.ac.at

Born on 24. 1. 1958 in Vienna, married since 4. 5. 1983; 3 children.

Education

- 1964 - 1968 Primary school.
- 1968 - 1976 Secondary School, *Neusprachliches Gymnasium, Schottengymnasium* in Vienna.
- 28. 6. 1976 School-leaving examination (Matura) with honors.
- 1976 - 1983 Studies in Electrical Engineering, Vienna University of Technology.
- from 1977 Studies in Computer Science at Vienna University of Technology.
- 1980 - 1981 Scholarship from the French Government:
Studies in *Automatique* at the Ecole Nationale Supérieure in Toulouse;
Participation in a research project for robot control at the Laboratoire d'Automatique et d'Analyse des Systèmes du CNRS, Toulouse.
- 3. 2. 1983 Graduation (Diplom-Ingenieur) in Electrical Engineering.
- 1983 - 1991 PhD studies in Technical Sciences at Vienna University of Technology.
- 28. 6. 1991 Doctorate at Vienna University of Technology with honors.

Professional experience

- 1983 - 1994 Assistant at the Institute for Telecommunications and High-Frequency Engineering at Vienna University of Technology; manager of several research projects and supervision of industry co-operation in the area of electronic speech synthesis and speech control, supervision of exercises and lab exercises.
- 6/92 - 9/92,
7/93 - 8/93,
2/94 - 3/94 Research visits at the Centre National d'Etudes des Télécommunications (CNET) of France Télécom in Lannion (France); collaboration in a project developing multi-lingual speech synthesis systems.
- 1992 - 1993 Coordinator of the pan-Austrian project *Evaluation of Electrical Engineering 1993*.
- 5/94 - 5/96 National contact point for ICT and telematics applications at the *Büro für internationale Forschungs- und Technologiekooperation* (BIT), the national organisation in charge of EU RTD co-operation in Vienna; support services for Austrian proposers in the European RTD programmes, representation of Austrian interests in several European committees.
- 6/94 Scientific consultant for France Télécom CNET.
- 6/96 - 5/99 Head of the research group *speech processing* at Kapsch AG, Vienna.
- 12/97 - 5/99 Chair of the *ARGE Proponenten des Forschungszentrums Telekommunikation Wien*; coordinator of a proposal to establish the Telecommunications Research Center Vienna (FTW) within the Austrian Competence Centre Programme *Kplus*.
- 1999 - 2008 Managing Director of the Telecommunications Research Center Vienna (FTW).
- from 1991 Lecturer at the Institute for Computer Languages at Vienna University of Technology.
- from 2005 Lecturer at the Institute für Electrical Engineering and High Frequency Engineering at Vienna University of Technology.
- 11/08 - 11/09 Senior Consultant at eutema Technology Management GmbH.
- 12/09 - 6/10 Manager R&D Programs and Cooperation at AIT Austrian Institute of Technology.
- 7/10 - 6/17 Head of Business Unit Video & Security Technology at AIT Austrian Institute of Technology.
- from 7/17 Key Account Manager at AIT Austrian Institute of Technology.
